EASTER 2019

Faith, Hope, and Love Garden

The Faith, Hope and Love Garden was created after the untimely death of my daughter, Missy Fields, May 9, 2004. As I began my grief journey, I realized my family and I needed a quiet place to pray and find peace after our loss. My family and the church partnered together to create a place that we could memorialize and honor our loved ones. We began work on the garden in the fall of 2004. Each rock used in the garden was brought from our farm in Anderson County. The garden was finally completed in May 2006.

The pavers in the garden have been placed to memorialize loved ones that have passed on as well as honor those we love. Placing a paver in the garden for marriages and baptisms is a meaningful way to celebrate a wonderful day. For more information about placing a paver in the garden contact me at butterflymom@windstream.net or call the church office.

-Janie Fields

\$173.12 raised from Valentine Dance to support the garden. Thank you!

Return to Love

“ The real miracle of Easter is not that Jesus returns. Any god can do that. The real miracle of Easter is that Jesus returns to love the ones who betrayed him, abandoned him, hid, disbelieved, doubted, and despaired—the ones who got it all wrong. Jesus didn't just return, he returned to love.
