By this point in the school year your child should be picking up on some of the uppercase letters. Write their name and see if they can identify the letters. Pick a letter each week and post it in 5 places around your house and review the letter often. Pick out that letter when you are at the grocery store or on billboards when you are in the car. Repetition helps them learn. Don't forget to review the past letters after to move on to a new letter.
