LEARN & SERVE

Bethany is the home to Bethany College, a Disciples of Christ college founded by Alexander Campbell, who is one of the founders of what has now become our denomination – the Christian Church (Disciples of Christ). In addition to service projects in the town of historic Bethany and with the Disciples of Christ Historical Society, we'll have the opportunity to learn more about the history of our denomination in one of the places from which those roots grew. Each day will offer opportunities for relationship-building, service, reflection, worship, and fun.
